

# Deluxe34 SL

streamliner lap steel stand

The Deluxe34 Streamliner leg lap steel stand comes with 2 brackets. There are four sizes for both the neck and bout to pick from. These brackets will accommodate most lap steels. The neck brackets are 2, 2.5, 3, 4 and 5 inch options. The bout brackets are 7, 8, 9 and 10 inch options. Just pick the 2 brackets that best fit your steel.

The brackets are mounted on a 1-1/4" wide aluminum base.

SL3 \$195.00

SL4 \$225.00

The bracket can be rotated to bring the vertical close to the bout or neck of the steel.

The Deluxe34SL stand comes with a 400 denier carrying case and your choice of 3 or 4 chrome on steel legs. The brackets are surfaced with 1/8" cork pad to make a soft and firm surface to cradle your steel guitar. The three leg SL3 weighs 9lbs and the four leg SL4 weighs 11lbs.

Other leg options are available.
